

**23 MAY 2017**

# **WEED INFORMATION**

## **10am Peranga Bowls Club, Denham St, Peranga**

Join North East Downs Landcare, Biosecurity Queensland and Toowoomba Regional Council to find out about invasive weeds like Fireweed and Devils Rope Pear. Talk to Craig Hunter, Biosecurity Officer about how to identify existing, new and emerging pest and weed threats. Chat to local Pest Management Officers about work being undertaken in the Toowoomba area, problems with identifying Fireweed, their toxicity, and how and when to treat it.

If you have an unknown weed on your property that you would like help to identify, bring along a sample or photograph.

RSVP before 16 May 2017 to Glenys on 0428 751 070 or Davida on (07) 4696 7044. FREE lunch provided.
