SOUTH MYALL CATCHMENT LANDCARE GROUP INC

BIOSECURITY INFORMATION WORKSHOP

On Biosecurity Plans livestock producers will require from the 1st October 2017 for LPA reaccreditation

Rachael O'Brien from Livestock Biosecurity Network will update participants on the new market requirements regarding Johne's disease (J-BAS, Johne's Beef Assurance Score) and for the Livestock Production Assurance (LPA) program.

People will be provided with a hard copy biosecurity template (and link to the on-line form) and information to develop a biosecurity plan for their property which they will keep filed at home.
