

INFO DAY: Vegetation Management

In partnership with North East Downs Landcare group, we invite you to join us for an informational workshop to learn about vegetation clearing codes, the new trigger mapping tool and treatment of environmental weeds in remnant vegetation.

Three speakers are lined up to offer knowledge and answer questions. Here is what to expect on the day:

- **Rod Manthey** from the Department of Environment & Science will explain trigger mapping and endangered plant species rules.
- **Dave Hinz** from the Department of Agriculture & Fisheries will discuss mapping, exemptions and accepted development vegetation clearing codes.
- Lunch break
- Farm visit to 148 Jackson's Road, Moola where **Craig Hunter** from Biosecurity will discuss weed treatment followed by Rod and Dave demonstrating how the rules and exemption apply to the property.

DATE: Tuesday 15th October 2019

10am start - 2pm finish with a break for lunch from 12 - 12:30pm.

VENUE: Kaimkillenbun Hall

RSVP: To Glenys Bowtell via glenysbowtell@bigpond.com or 0428 751 070

This project is supported by Southern Queensland landscapes, through funding from the Queensland Government's Natural Resource Investment Program (NRIP).
